

# OMNIFLOW II

## THE BIOSYNTHETIC ALTERNATIVE FOR VASCULAR GRAFTING

10-11 MAY 2019  
ROME

Your Peripheral Vision™

LeMaitre Vascular is delighted to invite you to participate in a two day educational and scientific program on the topic of the Omniflow II biosynthetic alternative for vascular grafting. Two well-known experts in vascular surgery from Italy and Spain - Dr. Vittorio Dorrucchi and Dr. José Román Escudero - are reporting on their experience with the Omniflow II Biosynthetic Vascular Graft. They will be knowledgeable discussion partners and share their tips and tricks regarding a successful implantation management of the Omniflow II. We are looking forward welcoming you in Rome in May 2019.

## FRIDAY

May 10th

- 17.30 - 17.40** **Welcome and opening**  
- Dr. Vittorio Dorrucchi
